

## **Вот Христос к нам идет**

*Author / composer: unknown*

Вот Христос к нам идет  
И нам вести несет.  
Радуйся народ верный,  
К нам Отец скоро придет.

Когда Отец к нам придет  
Он нам радость принесет,  
С Ним победа дорога,  
Укрепляются в нас сердца.

Когда укрепятся в нас сердца,  
Отец Сына к нам пошлет,  
И Он стадо соберет  
И нам радость воспоет.

Пастырь радость воспоет,  
Свое стадо к Себе зовет,  
Слушай, стадо, Пастыря,  
Христа верного, Вождя.

Он вождь верный нас ведет,  
Свое стадо стережет,  
Свое стадо стережет,  
В царство вечности ведет.

## **Harken, Christ is coming**

*Translation: Eli Popoff*

Harken, Christ is coming,  
He brings glad tidings with Him.  
Rejoice, O faithful people,  
Soon the Father Himself will come.

When the Father Himself will come,  
And joy to our hearts will bring;  
With Him our triumph will be grand,  
Our hearts will be strengthened anew.

When our hearts will be strengthened and firm,  
The Father will send us His Son.  
He will gather His flock all so faithful,  
And will joyfully sing in His name.

The Shepherd will joyfully sing,  
All his flock to Himself He will call,  
Listen well to your Shepherd, all faithful,  
To your true faithful Leader, the Christ.

This Leader so faithful. He leads us,  
He guides well His chosen true flock.  
He guides well His chosen true flock,  
To His Kingdom eternal He leads.
